WHAT TO BRING ON YOUR KAYAK ECO-TOUR

Experience has revealed to us the following important essentials you should bring on any of Ric Hinman's Kayak Eco-Tours to ensure a fantastic time on the water:

- ☐ **Sunglasses**
- ☐ **Wide-Brimmed Hat**
- ☐ **Sunblock & Bug Repellant**
- ☐ **Comfortable clothing**
(light, quick-dry is the best)
- ☐ **Sneakers or sandals that stay on your feet** *(that can get wet!)*
- ☐ **Disposable water or hydrating drink**
- ☐ **Waterproof disposable camera**
- ☐ **Smiles** *(mandatory!)*

As followers of Murphy's Laws, we also believe that you might want to keep a towel and maybe even a change of clothes in your car...After all, Murphy has a tendency of cooling people off sometimes and you might get refreshingly wet from paddle drip! We also strongly recommend NOT bringing any electronic devices (cell phones, digital cameras, etc.), valuables, or bad attitudes on your tour...

WHERE WE'LL MEET...

Your kayak tour will launch from and return to the boat launch at Ramp Road Park, located at the end of Ramp Road in Cocoa Beach.

FROM THE NORTH:

From the intersection of SR 520 and Highway A1A in Cocoa Beach, go south on A1A for several miles. After passing Minuteman Cswy. in the heart of the downtown area, turn right on 5th Street South. Go one block west to N. Brevard Avenue and turn left. Take the first right onto Ramp Road, which leads straight to the park.

FROM THE SOUTH:

If you're coming to Cocoa Beach from the south, travel on North A1A, and make a left at 5th Street South. You'll cross Orlando Ave. (A1A South) and continue one block west to N. Brevard Avenue. Make a left, then take the first right onto Ramp Road, which leads straight to the park.
